BIG DEMOCRATS AGREE TO HELP ORGANIZE STATI

Francis, Folk, Reed, Stone and Wetmore Among Those in Conference

A conserence of leading Democrats, sequel to the get-togethergathering at Kansas City a week ago, was held at St. Louis Saturday and plans formulated for a complete organization of the party forces for the approaching fall campaign.

the State Committee, presided home 32 miles southwest of Mo at the enforence, which was in nett. format talks were made by Lovernors D. R. Naomi Bounous, Ida Lautaret, Francis J. W. Folk and Lon Elva Malan, Stella Banks, Mary V. St. dames A. Reed, of and Annie Exposito, Nora and Kansas United States Sen-Ella Wimsatt; Messrs. Saunders ator \ ... stone, and others.

ed at yesterday's meeting, how- |det, Dave Lautaret, Earl Largen, Nothing was said by either Mr. Pete Exposito; Leonard Teele, Francis or Mr. Folk to throw Eugene Vogt, Joe Bounous, Mar any light upon their future polit- tin Poushnock, Willie Banks, Euical intentions. Neither has made gene and Joe Wimsatt. a formal declaration.

of the party organization should At a late hour they all departed, men available in all counties for ing they had spent. the Legislature, irrespective of their friendship for any parti. were given on the piano by Misscular candidate for Senator es Naomi Bounous and Ida Laut Warner's seat.

The first step, it was decided, should be the selection of a successor to State Chairman Rubey, who repeated yesterday his desire to retire, because of growing business interests. Mr. Ruout as soon as the committee erial Union by asserting that a

the conference yesterday was twenty years his junior. The the organization of an auxiliary title of his paper was: "The Mincommittee of fifty business men, lister Himself." He contended selected from every section of that a year at 50 is worth three the State, to co-operate with the at 30, and advised the older min-State Central Committee in the isters not to think their usefulmatter of perfecting the organi-ness at end. He favored the zation and raising of campaign simple life at the best, physical-

All present at the conference agreed that the work of the organization should be begun at once, and the leaders promised lung heating mountainous shrub, to lend their individual aid to this end. Personal desires were made secondary to party solidity and the adjournment of the meet Success.

FIGHT SALOON WITH THEATRE

Fighting the saloen with the theatre is the new method to be employed by Attorney A. L. Mc-Cawley, who will take charge of the west side moving picture the are in a few days and operate it during the rest of the campaign in the interest of the local option movement.

He will give afternoon and eve ning temperance lectures and have moving pictures to illustrate and emphasize practical subjects relating to the traffic and evils of

Mr. McCawley, in carrying on this work, will be independent of the regular local option committees.-Carthage Press.

entertaining.

The gentlemen are cordially invited to attend this meeting.

We hope to have a full attendance of both ladies and gentlemen.

ROAD COMMISSIONERS

J. F. Mermoud, P. O. Snyder and Owen Conley, road commissioners selected by the county court to examine and report on the advisability of opening up a section of road three quarters of a mile in length on the county line West of Monett, are viewing the line this afternoon. The opening of this road will be of benefit to the farmers West of Monett.
